In a break from our now traditional Good Friday anthology, we offer this one act interpretation of The Passion. Our play is based upon a number of the medieval English Mystery Plays, and is produced in what we hope is language which will be understandable to audiences of all ages.

Like the mystery plays of old, it is our intention to show how the essence of this great story can be played out by ordinary people anywhere, from any walk of life. As you will see (with one exception) each of our actors plays a number of parts.

The Guild Players are part of Finchley Methodist Church but we also have many people connected with us from the community around. New members are always welcome, whether you are interested in acting or backstage roles.

If you would like further details of the Players, or would like to join, please contact our membership secretary, Betty Robertson, on 020 xxxx xxxx.

Alternatively, visit our web site at www.guildplayers.org.uk

Our next production will be 'Absent Friends' by Alan Ayckbourn. Details and booking form overleaf.
